noun. /'viː.num/

latin translation: wine.

Vinum

Our wine list is thoughtfully curated with Burgundy Wines Ltd, based locally to Tottington Manor — a partnership celebrating expert sourcing and close local relationships. Alongside an expansive collection of wines produced in Sussex, you'll find a handpicked global selection chosen for quality, character and seasonal pairing. Whether by the glass or bottle, our in-house specialists are here to guide you, and with an array of premium wines available by the glass, even just one should be exceptional.

New this season

Our wine list is ever growing and ever evolving to match the seasonal flavours that lead our menu. Featuring producers both longstanding and new, local and further afield, each bottle is chosen for its own unique qualities.

SUSSEX WINE

Thanks to the region's unique chalky soils and cool climate, Sussex shares a remarkably similar terroir to Champagne — as a result, Sussex is producing award-winning wines that rival some of the best in the world. At TERRA, our locally rooted dishes are best paired with wines grown in the same landscape, so if you haven't yet explored what's on your doorstep, we highly recommend starting here.
